

# ***Workshop Process Overview***

***Presented on Behalf of All Four EPIC  
Administrators***

EPIC Public Stakeholder  
Workshop  
August 18, 2015

# ***EPIC Program Administrators***

- **California Energy Commission**
- **Pacific Gas and Electric Company**
- **San Diego Gas and Electric Company**
- **Southern California Edison Company**

# ***Workshop Background***

- **EPIC Decision (12-05-037) requires that the four administrators consult with interested stakeholders no less than twice a year**
  - **Obtain feedback on work and planning input**
  - **Coordinate with activities of others**
- **This is the first stakeholder workshop for 2015**
- **The second workshop for 2015 will take place in the Fall**
  - **Date, place, and scope to be determined**
  - **An announcement will be posted**

## ***Workshop Theme***

**Workshop theme: Integration of distributed energy resources (DER) into electric utility systems**

- **DER penetration is increasing rapidly in California IOU systems**
- **Interest is growing in non-traditional functions of DER**
- **Other advances are simultaneously occurring in utility system infrastructure**
- **DER will impact distribution system infrastructure choices and operating practices**
- **Interaction with CAISO and transmission system operations needs to be considered**

## *Key Related State Policies and Decisions*

- **Renewable portfolio standard**
- **Electric storage procurement targets**
- **Governor's goal of 12,000 MW of DER by 2020**
- **CPUC order instituting rulemaking for Development of Distributed Resources Plans**

## *Workshop Purpose*

- **This workshop is targeted at getting feedback on current work and not at planning future work**
- **Share results coming out of the projects**
- **Seek stakeholder feedback**
- **Coordinate with the work of others going on broadly in the field of DER integration**

# ***Workshop Approach***

- **Opening presentations**
- **Presentations by each administrator**
  - **Brief overviews of their EPIC programs**
  - **Highlights of two key projects on DER integration**
  - **Brief Q&A after each of these items**
- **Open discussion and Q&A in the final hour**

## *Desired Results of Workshop*

- **Comments on project approaches and results to date**
- **Awareness of related work elsewhere**
- **Workshop will be recorded**
- **Results will be posted**
